

**WE ARE PROUD
TO PRESENT YOU THE
BRAND NEW DUNEFOX!**

The expectations for the BMW F750 GS and F850 GS are high, and without a doubt these new BMW's live up to them. With a robust 900 cc engine block, excellent ergonomics and driving qualities, that is not surprising.

All the more reason for the Bos Exhausts team to present you the **brand new Dunefox**. This exhaust system which is **designed specifically for these BMW's** in terms of style, sound and fastening of the silencer, will amaze you! Available in Carbon Steel, Black Coated and Shot Blasted, including powerful Bos Exhausts sound, this is the exhaust system that allows your BMW F750 GS or F850 GS to reach its full potential!
